

MSA V-Gard® Cap Frames and Debris Control

MSA10115730

- Sloped V-Gard Frame has gutters that guide debris off frame, away from line of sight
- V-Gard® Cap Frames accommodate other PPE, such as cap-mounted earmuffs and most half-mask respirators
- Replaceable debris control creates a tight seal between helmet and the frame, preventing material from falling in the face when lifting visor
- Non-metal construction
- Meet the applicable requirements for ANSI/ISEA Z87.1-2010. V-Gard Frames are compatible and compliant **ONLY** with V-Gard Visors to help ensure safety
